Grace Valley Christian Academy Tuition Voucher Policy

Completion of the voucher entitles the individual who referred the new family to GVCA a waiver of one month's tuition for one child.

- The waiver of tuition is not transferable to another family
- One voucher can be applied per enrollment contact. If multiple children enroll from a referral, a single contract is signed for the family, thus one voucher will be approved
- Vouchers will be applied to future tuition payments. There are no refunds of pre-paid tuition
